**IN THE MATTER OF**

**THE *TECHNICAL STANDARDS AND SAFETY*  
*ACT, 2000, S.O. 2000, c. 16*  
and**

**ONTARIO REGULATION 223/01 (Codes and Standards Adopted by  
Reference)**

and

**ONTARIO REGULATION 220/01 (Boilers and Pressure Vessels)**

**DIRECTOR'S ORDER**

The Director, of the Boiler and Pressure Vessels Regulation, *Technical Standards and Safety Act, 2000, S.O. 2000, c. 16*, pursuant to his authority as provided for in section 36 of the *Technical Standards and Safety Act, 2000* and in accordance with clause 4.9.1.1 and clause 4.9.3 of the Boilers and Pressure Vessels Code Adoption Document dated June 1, 2001 and adopted by O.Reg. 223/01 made under the *Technical Standards and Safety Act, 2000*, hereby orders the following:

The Director's Order dated May 1, 2005 which sets out the requirements for Quality Control systems is hereby rescinded and the following substituted therefore:

1. Before commencing manufacture and installation of piping, a piping manufacture and installation quality system must be filed with the Director;

This Quality Control system shall:

- i) Be in accordance with TSSA Safety Bulletin SB02-02 Rev.1, dated April 24, 2003, as amended from time to time, for manufacture and installation of piping; and
- ii) Be approved by the Director.

2. Before commencing the repair or alteration of a boiler, pressure vessel, piping or fitting, a repair or alteration quality control system must be approved by the Director;

This Quality Control system shall:

- i) Be in accordance with TSSA Safety Bulletin SB02-01 Rev.1, dated April 24, 2003, as amended from time to time, for repair or alteration of a boiler, pressure vessel, piping or fitting and installation of piping; and
  - ii) Be approved by the Director.
3. Effective December 19, 2005, **and only for**, pressure retaining components subject to the requirements of CSA-B52-99, Mechanical Refrigeration Code, the requirement for Director approval of Quality Control Systems on or before December 31, 2005 is extended by the Director for the period up to and including June 30, 2006.

Dated at Toronto, this 19<sup>th</sup> day of December 2005.
